

ABORTION

The cultural fight about abortion seems to center around the woman's rights versus the fetus' rights. God values life - all of it - and thus cares for the unborn child He created as well as the woman in distress that is leading her to consider abortion. As Christians, we must likewise value life, protecting the unborn as well as showing grace and love (not judgment) to pregnant women in distress.

SCRIPTURE VERSES

Job 31:15

Psalm 139:13-16

Psalm 82:3-4
