

Preschool Ministry (6 weeks to 5K) 9:15 and 10:30AM each Sunday

In, *The Backyard*, our weekly environment created especially for your infant through preschool-aged children. We know things are busy at this stage of life and your children are learning and growing in amazing ways. We believe in an active, hands-on approach to learning with preschool children. So, you can plan on a lot of jumping, singing, dancing, and laughter in every experience. Fun crafts and games are also part of the experience. Each Sunday preschoolers are taught from the Bible in both small groups and large groups. We look forward to helping your preschoolers learn more about God. It is our hope that your child will learn:

- **God made me - Psalm 139:13-14**
- **God loves me - Romans 8:38-39**
- **Jesus want to be my friend forever - John 3:16**

At Westwood we strive to give preschoolers a first impression of their loving heavenly Father. Our teaching process is simple and fun, repeating one basic truth about God throughout the month. We use art, music, crafts, games, and age-appropriate discussions to help preschoolers understand Biblical truths. In large group worship, we study one key Bible story and sing some really fun songs. It's all part of the plan to help our preschoolers believe the three basic truths listed above by age five.
